

Coming soon....Holidays on Wheels – Accessible Holidays

By *Bernhard Zebedin*

10. August 2016 20:20

Shortly our relaunch will be online. We work hard behind the scenes to update our platform to present all the information needed for a barrier-free holiday for people with a disability, a visual impairment, a hearing impairment, people with a walking frame and even families with a buggy. So that everyone can have an accessible and unforgettable holiday.
